

WorkForce Pro EP-C800RDW

DATASHEET / BROCHURE

PCL6

The WorkForce Pro EP-C800RDW business printer, boasts a compact modern design, high ink-yield and up to 1,830 paper capacity.

The EP-C800RDW RIPS inkjet printer offers a solution for efficient, uninterrupted, high-volume printing without changing supplies. With seamless integration (to third party solutions), small footprint and low Total Cost of Ownership (TCO), it's ideal for smaller businesses. Low power consumption¹, Fast First Page Out Time (FPOT)², 25 ppm print speed³ make this great for office environments.

High productivity, low intervention

A fast FPOT of 4.8 seconds from ready mode², while printing up to 50,000 pages (mono) and 20,000 pages (colour) without changing supplies⁴, increase your businesses productivity. Its paper capacity of up to 1,830 sheets (3 x optional 500 sheet cassettes) means less time spent refilling paper. Print speeds of 25ppm³ make this an ideal sprinter for a wide range of industry sectors: from healthcare to education.

Heat-Free printing technology

Built with efficiency in mind, EP-C800RDW offers low power consumption¹. By switching to Heat-Free printing technology, which uses no heat in the ink ejection process, you can save energy, time and reduce intervention¹.

Low running costs

High ink-yields lower the need to order and replace supplies frequently⁴, help to deliver predictable print costs and a competitive TCO. Lower costs of servicing and intervention making this a reliable and attractive choice for businesses. Low power consumption delivers much needed savings¹.

Solutions that are built for business

With workflow and security, fleet management and remote services, Epson Solutions Suite has you covered. Easy remote diagnosis with Epson Remote Services, Epson Print Admin (EPA) to aid your print security requirements and 3rd party solutions.

KEY FEATURES

- **High productivity, low intervention**
25 ppm print³ and Fast FPOT of 4.8 sec²
- **Efficient compact A4**
6.1 cm LCD colour interface, modern compact design
- **Save on costs**
Low TCO and save energy, with Epson's Heat-Free printing technology¹
- **Built for business**
Compact with up to 50k mono ink-yield⁴ and 1,830 max paper capacity
- **Epson Solutions Suite**
Smooth system integration and freedom to work anywhere
